Dawn and grandson Everett. Never too young for a Smokey Bear story.

New Year—Old Challenges— New People

The air was smoky through much of the summer where I live, even making it difficult for some people to fully enjoy the solar eclipse. There's not much we can do to prevent lightning that ignited some of the fires, but experts tell us that *people* remain the main cause of wildfires. As I think about this, it occurs to me how many people are new to the forests and rangelands of our country. Not just immigrants, but urbanites who are moving to the wildland-urban interface, retiring Baby Boomers with time on their hands, and—especially— young people growing up.

I think the challenge ahead of us is clear. Smokey is essential for keeping wildfire prevention reminders

in front of all wildland users, all the time. I hope the items in our winter-spring catalog will help you continue to help Smokey get his message to everyone. I'll continue to do my part by providing a wide variety of products and good old friendly service —fast and guaranteed. Please have a safe and enjoyable winter season!
