Prepare! The 75th Approacheth

There is something special about anniversary dates. Smokey Bear's 75th anniversary, or birthday, is no exception and although it is not until 2019, we are already getting started for it as we go to press. You will find some of the new items in these pages or at our website and more will be in our summer edition. It is truly a time to celebrate and what a great opportunity to attract more attention to Smokey's wildfire prevention message. And do we ever need that! 2018 was an awful year for wildfires in our nation's forests, rangelands and communities. Some of the havoc was due to nature; some from arson, and some from human carelessness. It is the latter that we focus on and the need is ongoing and ever more serious.

As always, we are here to help. You have my promise for fast, friendly, personal service and a full guarantee of satisfaction. That is the old fashioned way and it will always be the way we conduct our business at Woodland Catalog. My best wishes to you for the coming year and I look forward to hearing from you.

We like to hear from our customers

Thank you so much for getting the shipment delivered so fast. It was a huge hit.

— Ted O., Etna, California

I just wanted to say thank you. We received the blanket and it is awesome!!

— Julie S., Tucson, Arizona

I just opened my box and had a Christmas moment in June. Thank you for everything. The sweatshirt is beautiful and such great quality. Mom is going to love wearing it. The patches are fun to collect and the hats will be worn in foggy San Francisco and Berkeley!

— Vanessa I., Berkeley, California

I loved what I purchased. If I get a chance I'll take a pic and send it to you. I took the cloth book, cut it up into panels, and used it in a small lap quilt for a friend who collects Smokey things. She went nuts for it. It really turned out well. She also loved the catalog.
